Document Storage Service

People's Memorial Association (PMA) established a Document Storage Service to hold digital copies of funeral planning paperwork in response to requests made by members. For a one-time fee of \$25 per member, PMA will scan and hold as many of your funeral documents as necessary for access by the funeral home of your choice at time of death. You may submit updated documents for storage at no charge. The original documents will be returned to you. PMA contracted funeral homes will be able to request your funeral documents at time of death to expedite your cremation or burial arrangements. Up until death, an electronic copy of your documents will be securely held. **This service offers a way in which you are assured your wishes are honored.**

PMA is able to store any funeral related documents such as the Disposition Authorization form, Designated Agent form, Life Insurance policies, or military discharge papers.

If you choose to purchase life insurance from The Co-op Funeral Home of People's Memorial to fund your final arrangements, the \$25 fee for document storage will be waived.

To sign up for the document storage service:

1. Complete the "Digital Storage of Funeral Planning Paperwork" form
2. Submit the form with your original completed funeral documents
3. Submit payment of \$25 either by check or credit card.

Please only submit current forms. If you need new funeral planning forms, visit www.peoplesmemorial.org or call the office to request copies to be mailed at 206-325-0489.

If your choice of arrangements should change, you must notify PMA in writing or the contracted funeral homes will rely on the documents PMA has on hand.

Currently, PMA has more than 20 contracted funeral homes throughout Washington State. This process assures that regardless of which funeral home you choose, the documents will be available to expedite your arrangements and assure your wishes are carried out.

People's Memorial Association is a nonprofit organization that has been providing funeral advocacy and education to Washington State families since 1939.
