

This document was created to assist in the planning and facilitation of your green burial. It addresses the components of a green funeral/burial, and should serve as a supplement to any other end-of-life planner you may be using. A full list of GBC approved funeral establishments, cemeteries, product manufacturers, and cremation disposition programs can be found at: www.greenburialcouncil.org/finding-a-provider/

Environmental	Aims	
Environmental ber	nefits that mean the most to me in	order of importance (#1 most important, #4 least important):
Conserva	tion of natural resources	Reduction of carbon emissions
	n of worker health	Preservation/restoration of habitat
Funeral Service	Provider	
My preference is to	have my funeral coordinated by:	
	stablishment that is part of the C green burial:*	Green Burial Council's network of approved providers prepared to
Contact inf	ormation:	
•	ember/friend whom I have chosen ormation:	to handle my arrangements:**
Other (Exp.	lain):	
	letermine if they can meet your curren	s not part of the GBC list of providers, discuss your intentions with your nt needs. The GBC will be happy to help the funeral home understand the
	•	al to be facilitated without a licensed funeral director. As of 2010 the list of or are as follows: CT, IN, IL, LA, MI, NE, NJ, and NY.
Body Preparati	on	
• -		nfect, deodorize and temporarily preserve my body after my death:
☐ Dry Ice	Refr	rigeration
Topical app	lication (i.e. sprays, compounds) u	ising nontoxic, essential oils approved by the Green Burial Council
	lication and/or internal injection n Burial Council	(excluding arterial injection) using nontoxic, essential oils approved
	lication and/or internal injection n Burial Council	(including arterial injection) using nontoxic, essential oils approved
